DRAFT, PENDING CLAIMS AUDIT

certified port and terminal personnel. Keeping air, sea and port nodes operating for expeditionary programs.

2.5 **Defense freight and dangerous goods**

Air and sea charter, heavy lift, cross-border overland, Class 1 DG and bonded warehousing. Last-mile delivery to military sites with full chain of custody.

2.6 **Customs, compliance and program management**

Customs clearance and documentation through our own UAE brokerage and a vetted agent network abroad. FAR and DFARS compliant delivery. Quality assurance certified to ISO 9001 and aligned to FAR Part 46. HSE management aligned to ISO 45001 and each client's site HSE plan. One point of accountability from award to closeout.

Exclusions

3.1 **Armed security**

We coordinate with licensed providers. We do not carry weapons or provide guards.

3.2 **Brokering of defense articles**

We move what a licensed party has already sold. We do not sell it.

3.3 **Work we cannot compartment**

If a job would require telling one client about another, we decline it.
